**Region 3 Behavioral Health Board  
 CMH/Provider Subcommittee Meeting Minutes  
 September 25, 2024  
 12:30am – 1:30pm (MST)**

Topic/Discussion	Motion	Action
Welcome and call to order		
<p>Strategic Planning Discussion in collaboration with the Fletcher Group, Nate Conklin. We discussed our goals for a recovery center in Region 3.</p> <p>Goal 1: Start a recovery center in Canyon County and expand outward or start in Payette. Discussion surrounded the fact that if we started in Payette, we could serve Washington and Adams counties as well as Payette. There are a lack of resources in these counties and developing in Payette would allow access to behavioral health services. We concluded that we would hold two community meetings to gauge interest in the community and stakeholders to build a recovery ecosystem in Payette/Fruitland. The Fletcher Group has National experience and success working with developing recovery ecosystems. They will work with the R3 BHB to secure funding and develop a strategic plan for implementation.</p> <p>Goal 2: Enhance the services at the existing Gem County Community Recovery Center</p>		<p>The Subcommittee has decided to hold two community meetings with one in Payette/Fruitland and the other in Weiser on 11.08.24 from 11am-12pm and 1pm-2pm. Location TBD.</p> <p>The next Subcommittee meeting in October will be finalizing the community meetings, develop a flyer, and task Board members and community members with invitations to the meetings. The meetings will introduce attendees to the R3 BHB and the Fletcher Group will present on recovery ecosystems and answer questions.</p>

Goal 3: Begin discussion with the Shoshone-Piute tribe to build recovery support services in Owyhee County		
Wrap up and adjourn 11:55am
