Welcome and call to order		
<p>Strategic Planning Discussion in collaboration with the Fletcher Group, Nate Conklin. We discussed our goals for a recovery center in Region 3, specifically in Payette to serve Payette, Washington, and Adams counties as a recovery community would bring in much needed resources and build connections within the communities. We are planning two meetings, one at St. Luke’s Fruitland Health Plaza from 11am-12pm on 11.08.24. We discussed spaces at Weiser Hospital and the Weiser Senior Center for the 1pm-2pm meeting. Joy with Intermountain Hospital can donate drinks and snacks, and Sarah with Insight Matters has some additional funding to put towards the meetings as well. Our goal for these community meetings is to engage stakeholders in the discussion of developing a recovery ecosystem in Payette. More information on the Fletcher Group can be found on their website: <a href="http://www.fletchergroup.org">www.fletchergroup.org</a></p>		<p>The Subcommittee has decided to hold two community meetings with one in Fruitland and the other in Weiser on 11.08.24 from 11am-12pm and 1pm-2pm. Location TBD. The meetings will introduce attendees to the R3 BHB, the Fletcher Group will present on recovery ecosystems and answer questions, as well as a presentation from Stacey from the Gem County Community Recovery Center on their success to-date. The October 23, 2024, Subcommittee meeting will focus on the next steps moving forward such as mapping, site ideas, planning/funding, gaps and needs specific to this project, project management and pro forma development. We will need participation from our Board and community members. Joy will have the flyer made by Amber and send it to everyone on the R3 BHB list serve with the hopes that Board and community members will then invite other stakeholders to the meetings. Any questions, please reach out to Joy.</p>

Goals 2 and 3 will be developed along the way as we have capacity. Goal 2: Enhance the services at the existing Gem County Community Recovery Center Goal 3: Begin discussion with the Shoshone-Piute tribe to build recovery support services in Owyhee County		
Wrap up and adjourn 11:59am
